I hope you enjoy this premiere issue. As always, I welcome your thoughts and feedback.

I want to thank the 40+ investors who shared their insights during the planning for this newsletter. I heard you!

EDPNC Investor Relations
Ann Turnbill

Dear Investor,

I am thrilled to share with you the premiere edition of EDPNC’s quarterly newsletter for our investors.

Did You Know?

According to Michael L. Walden, Ph.D., the Reynolds Distinguished Professor at North Carolina State University, the NC economy will be different - different jobs, different companies, different ways people and businesses interact.
